

## Business Gifts

When you want to say thank you to a special customer, partner or prospect, you want to send a gift that is unique, will make an impression and be memorable.

Our premium, Certified All-Natural Angus brisket shipped from our pits to their door is a perfect choice. We are the only barbecuing operation in the country that ships a partially cooked, fully smoked brisket, which recipients finish cooking for a few hours in their oven. The result is an exceptionally moist, tender and flavorful brisket that is unlike anything they've had before, engages the senses and leaves a lasting impression.

Our shrink-wrapped briskets ship via FedEx in premium packaging with a beautiful trifold color brochure, arrive frozen and ready to store in the freezer for up to a year or defrost in 1-2 days for cooking. Cost is \$113-159 per order and custom quotes are available for large orders.

We would love to help you say thank you. Visit <http://www.woodpilebbq.com/businessgifts> or email [orders@woodpilebbq.com](mailto:orders@woodpilebbq.com) to learn more and place an order.
